STATINTL

Dear John:

I appreciated the opportunity to talk to you

STATINTL

is the former advantage important, but also the speed at which the simultaneous negative and positive are produced.

In order that I come properly prepared to a meeting between you and your people and Leo, could you please advise me of the number of units on which both of you would like a quotation. I expect to be back in Washington in early December. Mike G. has our mailing address.

Best regards.

Sincerely,

STATINTL
